MV Load Break Switch

Better life.
With electricity.

1 - Complete load break switch

Ensto Ref	Product designation		Customer Ref
NXQ880016	Complete AUGUSTE LBS for 11kV network		
Type of package	Package size Quantity of items per package 1620x1580x680mm 1		Weight
Wooden box			400kg

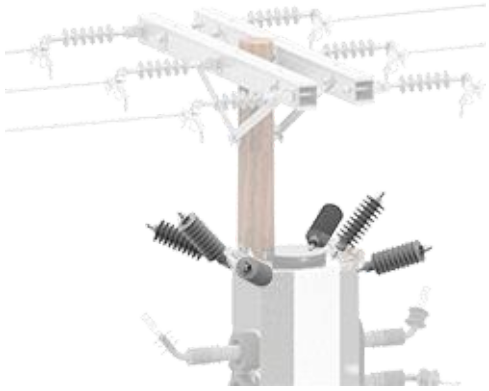

Ensto Ref	Complete AUGUSTE LBS for 36kV network		Customer Ref
NXQ880015		1620x1580x680mm 1	
Type of package			Weight
Wooden box			400kg

2 - Surge arrester

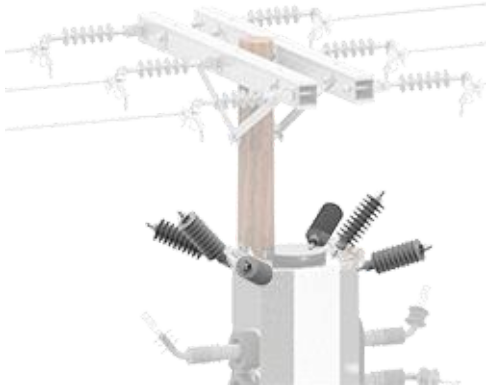

Ensto Ref	Product designation		Customer Ref
NX2010647	Set of 2 Surge Arresters Brackets with copper grounding		
Type of package	Package size Quantity of items per package 600x400mm 1		Weight
Plastic bag			2kg

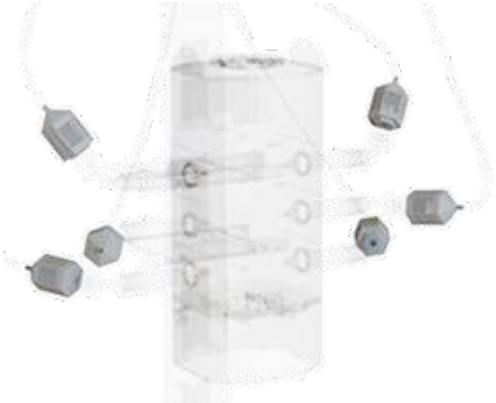

Ensto Ref	Product designation		Customer Ref
NX7230805	VARISIL HE-S 12 NO/SPEN surge arrester		
Type of package	Package size Quantity of items per package 152x115x248mm 1		Weight
Cardboard box			1,9kg

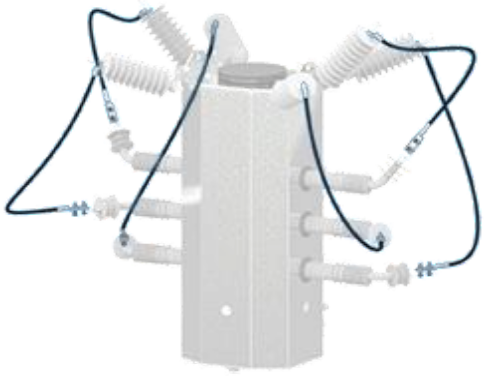

Ensto Ref	Product designation		Customer Ref
NX7230821	VARISIL HE-S 36 NO/SPEN surge arrester		
Type of package	Package size Quantity of items per package 118x118x409mm 1		Weight
Cardboard box			3,1kg

3 - HV network connection

Ensto Ref	Product designation		Customer Ref
NX2010467	Kit of 6 bird protector covers		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	590x375x390mm	1	2,5kg

Ensto Ref	Product designation		Customer Ref
NX2010582	Kit of 6 jumpers for HE-S 12 NO		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x1500mm	1	10kg
Ensto Ref	Product designation		Customer Ref
NX2010572	Kit of 6 jumpers for HE-S 36 NO		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x1500mm	1	10kg

4 - Switch - Pole fixing

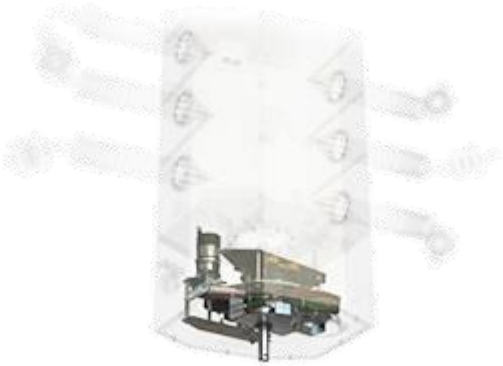

Ensto Ref	Product designation		Customer Ref
NX2009865	Conversion kit for adaptation of new brackets on old tanks		
Type of package	Package size Quantity of items per package		Weight
Plastic bag	160x400mm 1		3kg

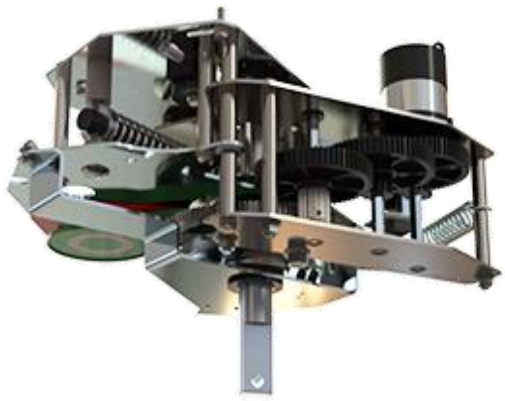

Ensto Ref	Product designation		Customer Ref
NX2010388	NEW Switch Pole mounting bracket including fixing kit		
Type of package	Package size Quantity of items per package 750x300x170 1		Weight
Cardboard box			10,5kg

5 - Motorized mechanism

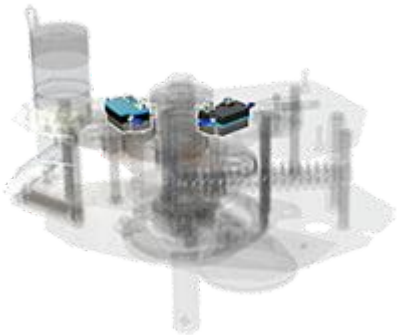

Ensto Ref	Product designation		Customer Ref
NX2008402	Complete switchgear mechanism		
Type of package	Package size Quantity of items per package 500x400x400mm 1		Weight
Cardboard box			14kg

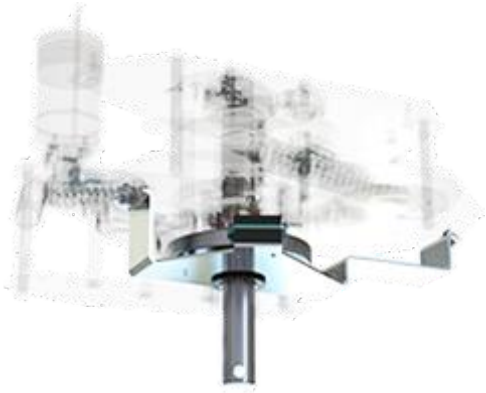

Ensto Ref	Product designation		Customer Ref
NX2010646	Box of 10 fuses 5x20mm 6,3A		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x200mm	1	0,05kg

Ensto Ref	Product designation		Customer Ref
NX2009881	Open/Closed end contact kit		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	135x105x160mm	1	0,5kg

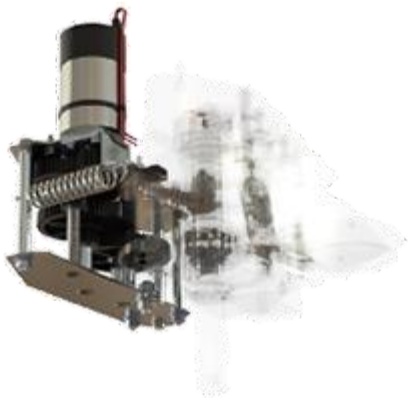

Ensto Ref	Product designation		Customer Ref
NX2009979	Output shaft of the switchgear mechanism		
Type of package	Package size	Quantity of items per package 180x170x440mm 1	Weight
Cardboard box			2kg

Ensto Ref	Product designation		Customer Ref
NXC329254	12V switchgear motor		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	260x240x140mm	1	1kg

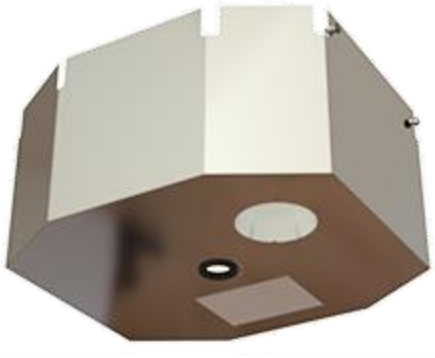

Ensto Ref	Product designation		Customer Ref
NXC329276	12V motor and gears kit		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	375x260x215mm	1	3,5kg

6 - Lower cover

Ensto Ref	Product designation		Customer Ref
NXC329288	Mechanism protection cover		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	555x380x375mm	1	5,5kg

Ensto Ref	Product designation		Customer Ref
NXC329283	Glass window replacement kit		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	400x400mm	1	0,2kg

7 - Safety manual command

Ensto Ref	Product designation		Customer Ref
NX2009484	Hook stick with Green/red indication including fixing kit		
Type of package	Package size	Quantity of items per package 500x400x400mm 1	Weight
Cardboard box			16kg

8 - Options

Ensto Ref	Product designation		Customer Ref
NXC360204	External FPI flashing light		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	260x240x140mm	1	1kg

9 - Accessories

Ensto Ref	Product designation		Customer Ref
NX2010409	Handling and storage frame		
Type of package	Package size	Quantity of items per package	Weight
Wooden box	1000x800x1820mm	1	70kg

10 - Entire ITI Control box for AUGUSTE

Ensto Ref	Product designation		Customer Ref
NX2010721	e-RTU IEC104 control box for 11kV network		
Type of package	Package size Quantity of items per package 840x465x460mm 1		Weight
Wooden box			18kg

11 - Control box - Pole fixing

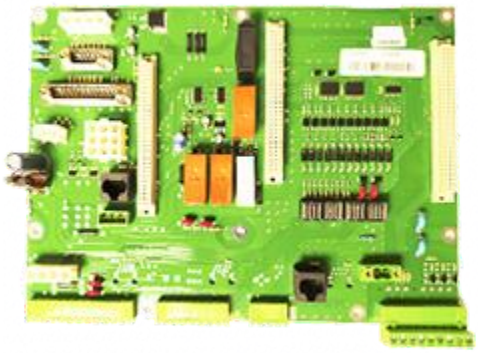

Ensto Ref	Product designation		Customer Ref
NX2010395	Control box mounting bracket including fixing kit		
Type of package	Package size Quantity of items per package 510x320x180mm 1		Weight
Cardboard box			3,5kg

12 - Control box - Backplane board

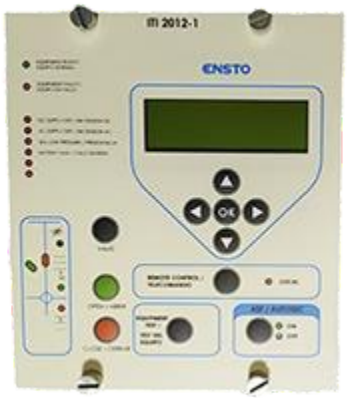

Ensto Ref	Product designation		Customer Ref
NX2008925	Backplane board packed		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box with foam	350x280x80mm	1	0,7kg

13 - Control box - Display board

Ensto Ref	Product designation		Customer Ref
NX2007202	Display board packed		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box with foam	240x180x50mm	1	0,4kg

14 - Control board - Charger board

Ensto Ref	Product designation		Customer Ref
NX2007205	12V charger board packed		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box with foam	350x280x80mm	1	0,7kg

15 - Control box - CPU board for ITI2012

Ensto Ref	Product designation		Customer Ref
NX2007224	ITI2012 CPU board DNP3 protocol packed		
Type of package	Package size Quantity of items per package 350x280x80mm 1		Weight
Cardboard box with foam			0,8kg

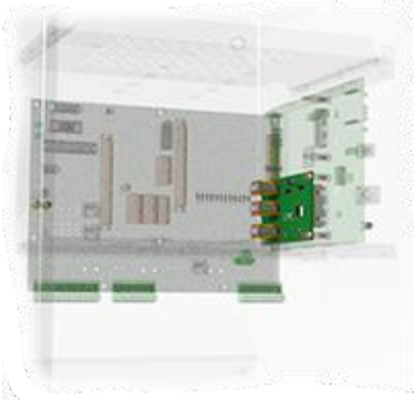

16 - Control box - CPU board for e-RTU2020

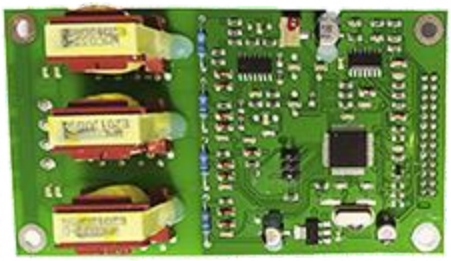

Ensto Ref	Product designation		Customer Ref
NX2010480	e-RTU2020 CPU board IEC104 protocol packed		
Type of package	Package size Quantity of items per package 350x280x80mm 1		Weight
Cardboard box with foam			1kg

17 - Control box - Fault current detection board

Ensto Ref	Product designation		Customer Ref
NX2007212	Fault detection board (3phase CTs Ratio 500/1) packed		
Type of package	Package size Quantity of items per package 240x180x50mm 1		Weight
Cardboard box with foam			0,2kg

Ensto Ref	Product designation		Customer Ref
NX2010702	Measurement board (3phase CTs 5P20) packed		
Type of package	Package size Quantity of items per package 350x280x80mm 1		Weight
Cardboard box with foam			1kg

18 - Control box - Transformer

Ensto Ref	Product designation		Customer Ref
NX2009993	ITI2012 Transformer 101-135-230V/27V		
Type of package	Package size Quantity of items per package 175X130X120mm 1		Weight
Cardboard box			2kg

19 - Control box - Primary electrical protection

Ensto Ref	Product designation		Customer Ref
NX2010644	Box of 10 fuses 10x38 2A gG		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x200mm	1	0,08kg

Ensto Ref	Product designation		Customer Ref
NX2010184	PMD20-230 Lighting protector		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x200mm	1	0,25kg

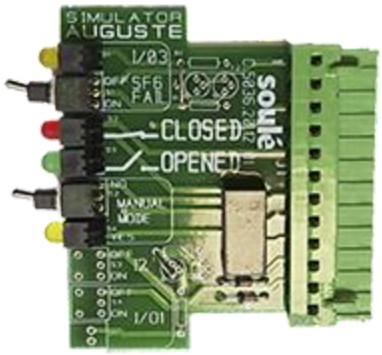

Ensto Ref	Product designation		Customer Ref
NX2010646	Box of 10 fuses 5x20mm 6,3A		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x200mm	1	0,05kg

20 - Control box - Miscellaneous

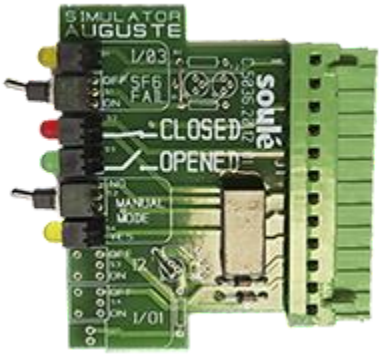

Ensto Ref	Product designation		Customer Ref
NXC360161	Battery connecting harness for 12V control box		
Type of package	Package size Quantity of items per package 160x200mm 1		Weight
Plastic bag			0,1kg

Ensto Ref	Product designation		Customer Ref
NX2006397	Commissioning kit (simulator and 5m lenght Ethernet cable)		
Type of package	Package size Quantity of items per package		Weight
Cardboard box	230x160x80 1		0,4kg

Ensto Ref	Product designation		Customer Ref
NXC360075	Complete simulator		
Type of package	Package size	Quantity of items per package	Weight
Plastic briefcase	135x94x31mm	1	0,2kg

Ensto Ref	Product designation		Customer Ref
NX2009591	VISIO II current injection case		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box	510x320x180mm	1	8,2kg

21 - Control box - ITI2000 generation

Ensto Novexia customer service department is always able to offer you the spare parts that will allow you to maintain functional your control box fleet reference NXC5036/serial number/year.

Other spare parts are also available (contact us).

Ensto Novexia customer service also offers you the expertise, repair, hardware and software update of this generation of control box and all its electronic cards.

Give a second life to your control boxes.

Ensto Ref	Product designation		Customer Ref
NXC361225	Pole mounting bracket for ITI2000 generation control box		
Type of package	Package size Quantity of items per package 400x500mm 1		Weight
Plastic bag			4kg

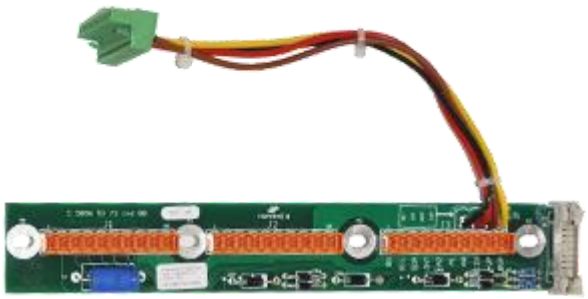

Ref
NXC361225
package
Plastic bag

Product designation
Bottom plate with packing glands kit

	400x500mm 1		1kg

Ensto Ref	Product designation		Customer Ref
NXC360048	12V charger board packed		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box with foam	280x180x80mm	1	0,7kg

Ensto Ref	Product designation		Customer Ref
NXC360142	2 ways backplane packed		
Type of package	Package size	Quantity of items per package	Weight
Plastic bag	160x300mm	1	0,2kg

Ensto Ref	Product designation		Customer Ref
NXC360156	CPU board DNP3 protocol packed		
Type of package	Package size	Quantity of items per package	Weight
Cardboard box with foam	280x180x80mm	1	0,6kg

Ensto Ref	Product designation		Customer Ref
NXC360186	Electrical control module with fault detection board (3CTs : 3 phase)		
Type of package	Package size Quantity of items per package 350x280x80mm 1		Weight
Cardboard box with foam			1,4kg

Ensto Ref	Product designation		Customer Ref
NX2010427	ITI2000 Transformer 115-172-230V/17V		
Type of package	Package size Quantity of items per package 175X130X120mm 1		Weight
Cardboard box			2kg
